BENEFIT PLAN SUMMARY

This summary is intended to provide a condensed explanation of plan benefits. Certain limitations, restrictions and exclusions may apply. Working for a Healthier Hawaii

Important Information

All copayments shown are based on eligible charge. The eligible charge is the amount that HMSA's participating providers have agreed to accept as payment in full for services rendered. All services received from a nonparticipating provider will likely result in significantly higher out-of-pocket expenses since the member is responsible for any difference between HMSA's eligible charge and the nonparticipating provider's actual charge.

If you were covered by HMSA under a different group coverage immediately prior to this coverage, any maximums you accrued under the previous coverage carry forward and count against the same types of maximum amounts under this coverage. Any copayment amounts you paid toward meeting your copayment maximum will also carry over.

If you become a member under another HMSA coverage, then you will be subject to the carryover provisions of the new coverage, and not this coverage.

Note: Asterisk * = Indicates annual deductible applies.
