# Prescription Drugs

## Get affordable prescription drugs at convenient locations.

### Save money and time with mail order

You'll get more for less when you order a 100-day supply of your maintenance prescription drugs through the mail. Depending on your prescription, you can receive up to two extra months worth of your prescription at no additional cost. You can also automatically order refills of drugs you take for chronic conditions.

### Affordable generic prescription drugs

Our prescription drug list includes generics to help you get the medicines you need at an affordable price. Generics are just as safe and effective as brand-name drugs, but they cost less because they don't have the same marketing and research costs. You'll get the same prescription drugs for a lower price.

### Local pharmacies

Most major retail pharmacy chains and many independent pharmacies in Hawaii participate with HMSA, so you're sure to find one near you. Find pharmacies at [hmsa.com/advantage](https://hmsa.com/advantage), or call us at a number on the back of this brochure so we can help you.

### Pharmacy consultations

If you have questions about your prescription drugs, talk to pharmacists on the phone or in person. They'll discuss your prescriptions with you, make sure you understand how to take them, and see if they work well with over-the-counter drugs and supplements you may be taking. To learn more, call HMSA's pharmacy benefit manager at 1 (855) 479-3659, 24 hours a day, seven days a week. For TTY, call 711.

### While traveling

If you need a prescription while you're on the Mainland, just show your HMSA membership card at more than 9,000 CVS Pharmacy locations nationwide. You can easily find pharmacies on [hmsa.com](https://hmsa.com).

Prescription drugs can be mailed to your home from the HMSA Medicare Advantage mail-order pharmacy. Mail-order prescriptions are usually delivered within 14 days after the pharmacy receives the order.

If your drugs don't arrive within 14 days, please call 1 (855) 479-3659, 24 hours a day, seven days a week; TTY users, call 711. Call these numbers if you want to sign up for our optional automatic delivery program.

# Pre-enrollment Checklist

Before making an enrollment decision, it's important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a customer service representative at (808) 948-6235 or 1 (800) 693-4672. For TTY, call 711.

## Understanding the Benefits

- ☐ The *Evidence of Coverage (EOC)* provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [hmsa.com/health-plans/medicare/resources/](https://hmsa.com/health-plans/medicare/resources/) or call us to view a copy of the EOC.
- ☐ Review the *Provider Directory* (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the *Pharmacy Directory* to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

## Understanding Important Rules

- ☐ In addition to your monthly plan premium (if applicable), you must continue to pay your Medicare Part B premium (Plan pays \$6 monthly). This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on Jan. 1, 2026.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copayment for services received by non-contracted providers.
- ☐ If you're currently enrolled in a Medicare Advantage plan, that plan will end when your new Medicare Advantage plan starts. If you have TRICARE, your benefits may be affected when your new plan starts. Contact TRICARE for more information. If you have a Medigap plan, you may want to cancel it because you'll be paying for benefits you can't use.

# Save Time with Automatic Payments

## **An easy way to pay your premiums.**

With automatic payments, you don't have to worry about remembering to pay your monthly HMSA premium. We'll work with your bank or other financial institution to automatically transfer your payments to HMSA.

### **How do I sign up for automatic payments?**

Complete the authorization form on the back and attach a voided check or savings account statement. Include the account holder's name and account number.

Mail the completed form to:

HMSA  
Attn: Cashiers  
P.O. Box 4720  
Honolulu, HI 96812-4720

You can also sign up for automatic payments at My Account on [hmsa.com](https://hmsa.com). Click My Account Login then Profile and select Pay My Bill. Not registered for My Account? On [hmsa.com](https://hmsa.com), click My Account Login. Click Register and follow the quick, easy instructions to get started.

### **After I submit my completed form, when will automatic payments start?**

The automatic payment service will take about 30 days to process. We'll continue to bill you until then. Please mail your payments until we send you a confirmation that your automatic payments have been set up. Your automatic payments will start with the bill after you get our confirmation.

### **What if my premium amount changes?**

We'll mail you a letter in advance to let you know if we need to change the amount deducted from your account.

### **How do I track my automatic payments?**

Your bank statement will show the HMSA payments deducted from your account. Deductions will occur on the bill's due date or the following business day if the due date is on a weekend or holiday.

### **Do I need separate authorization forms for my spouse and dependent if they're enrolled in separate individual plans?**

Yes, you need to complete authorization forms for each HMSA subscriber.

### **How do I cancel automatic payments?**

Send us a written request to cancel this service. Please allow 30 days for the cancellation to take effect.

### **If I enroll in a rider such as HMSA's Dental Plus Plan, will I have to complete another authorization form to set up automatic payments for that plan?**

Yes. Since that plan is billed separately from the medical plan, you'll have to complete a separate authorization form.

### **Who do I call if I have questions?**

Call us at (808) 948-5555 or 1 (800) 620-4672. We'll be happy to help you.

# After you enroll

**We'll make your transition to HMSA Medicare Advantage as smooth and easy as possible. Here's what you can expect from us:**

## **Enrollment verification letter**

If we helped you enroll in HMSA Medicare Advantage for the first time, we'll send you a verification letter after your enrollment.

## **Welcome packet**

You'll receive an HMSA Medicare Advantage welcome packet and enrollment confirmation letter in the mail. Please read the information about your plan benefits. It can help you get high-quality care and save money.

## **HMSA membership card**

You'll receive your new card in the mail. Show this card when you see your doctor or go to a hospital. Secure it like a credit card. To prevent identity theft, don't share your card with anyone, keep it in a safe place, and call us if you lose your card. Cut up old or out-of-date cards.

## **Welcome call**

We may call you to make sure you received your materials, help you understand your benefits, and answer any questions you may have.

## **Choose a primary care provider**

When you enroll, it's important that you choose a PCP as your partner in health. Please let us know the name of your PCP so we can put it on your HMSA membership card. See page 16 for ways to find a participating provider or to check if your provider participates with HMSA.

## **Getting care**

To get the most savings from your health plan, go to doctors, hospitals, pharmacies, and other providers in the HMSA Medicare Advantage network. They have an agreement with HMSA to charge you a lower amount than providers outside the network. You can go to providers outside the network, but you may pay more.
