

Health care coverage options

HMSA is here for you in these uncertain and difficult times.

As we face COVID-19 together, we want to make sure you continue to have access to the health care you need when you need it. Whether it's buying a plan on your own or getting financial assistance from the government, here are your options:

Affordable Care Act plans

HMSA has Affordable Care Act (ACA) plans that you can buy on your own and you may be able to get a government subsidy.

- To enroll online in an ACA plan, go to hmsa.com/health-plans/individuals-families. Be sure to click the green "check for subsidies" box to see if you qualify for financial help from HealthCare.gov.
- You can also call 948-5555, option 1, on Oahu or 1 (800) 620-4672, option 1, toll-free on the Neighbor Islands, Monday through Friday, 8 a.m. to 5 p.m.

QUEST Integration

Health care doesn't have to come from your employer. If you've recently lost your job or find yourself in a position where your employer can no longer offer you coverage, you may be able to get a health plan at no cost through Hawaii's Medicaid program.

- Go to hmsa.com and search QUEST Integration to learn how to apply for a QUEST Integration plan.
- Or call the Med-QUEST office at 524-3370 on Oahu or 1 (800) 316-8005 toll-free on the Neighbor Islands.

Medicare Advantage plans

If you have Original Medicare, HMSA has Medicare Advantage plans that you can buy on your own. Plans start at \$0 on Oahu.

- To apply for a Medicare Advantage plan, visit hmsa.com/health-plans/Medicare.
- Or call 948-6235 on Oahu or 1 (800) 693-4672 toll-free on the Neighbor Islands, Monday through Sunday, 8 a.m. to 8 p.m.

COBRA through your employer

If you recently lost the health plan that your employer offered but want to keep it, you may be able to pay for that same plan on your own. This is only available if your company has 20 or more employees. Contact your employer for more information about COBRA, or the Consolidated Omnibus Budget Reconciliation Act.

Questions?
