Section 1 Introduction

Thank you for choosing HMSA.

This directory lists HMSA dental providers who participate in our HMO network. They have a contract with us to provide you with services for a set fee.

In order to receive services that are covered by your plan, you will need to see a Hawaii Family Dental provider or a dental provider in our HMO network.

Board certification indicates a dentist's expertise in their specialty or practice. To earn certification, which is voluntary, dentists must fulfill requirements of the American Board of Dental Specialties.

This directory is updated to keep the information as accurate as possible, but before you make an appointment, contact the provider or us to make sure that the provider still participates with HMSA. You can also use our online provider directory at hmsadental.com/find-a-dentist for current information.

Note:

Most participating providers are accepting new patients. However, providers may change their policy at any time. Please call the specific provider's office if you have any questions.

All participating providers speak English. Refer to the specific provider for any other languages spoken.

If a termination date appears under a provider's location, that location is either closing or leaving the HMSA network as of that date. Please call the provider's office or Customer Relations at (808) 948-6440 or 1 (800) 792-4672 if you have questions.

A wheelchair symbol indicates that the location is accessible to people with a disability.

Disclosure Statement

To be an HMSA participating provider, all providers must complete:

- HMSA's initial credentialing process: Providers must submit their information to HMSA.
- HMSA's recredentialing process: Provider credentials are reviewed every one to three years.
- Cultural competency training.

HMSA follows the National Committee for Quality Assurance guidelines to provide an outstanding network of dental providers for our members.

Providers are expected to let HMSA know about any changes as soon as possible.

This directory can change without notice. It is important to know when you enroll in this plan, benefits are available as described in the plan's *Guide to Benefits*, but the continued participation of any one dentist, hospital, or other provider cannot be guaranteed.
