Section 1 Introduction

Thank you for choosing HMSA.

This directory lists HMSA participating providers who have a contract with us to provide you with services at a set fee.

Your HMSA plan allows you to see a nonparticipating provider (someone who's not in this directory), but you may pay much more than if you see a participating provider.

Physicians are listed with their board certification and hospital affiliation codes when applicable. The corresponding code information is listed toward the back of this directory.

Board certification indicates a physician's expertise in their specialty or practice. To earn certification, which is voluntary, physicians must fulfill requirements of the American Board of Medical Specialties.

This directory is frequently updated to give you the most recent information. Before you make an appointment, contact the provider or us to make sure that the provider still participates with HMSA.

Note:

Most participating providers are accepting new patients. However, providers may change their policy at any time. Please call the specific provider's office if you have any questions.

All participating providers speak English. Refer to the specific provider for any other languages spoken.

If a termination date appears under a provider's location, that location is either closing or leaving the HMSA network as of the indicated date. Please call the provider's office or HMSA Customer Relations at 948-6111 or 1 (800) 776-4672 if you have questions.

A wheelchair symbol indicates that the location is handicap accessible.

Hospital and facility services are displayed under the facility name. Service types are described below:

Hospital services:

- Acute: Immediate care for traumas and injuries, severe or sudden illness, or surgery and recovery from surgery.
- Rehabilitation: Devoted to the rehabilitation of patients with various neurological, musculo-skeletal, orthopedic, and other medical conditions after stabilization of acute medical issues.
- Children: Offers services exclusively to children and adolescents.
- Cancer: Providing specialized treatment for different types of cancer.

Facility services:

- Emergency care: Treats patients who need immediate emergent attention. Open 24 hours a day and staffed with providers who specialize in trauma management.
- Pharmacy: Facility where medicinal drugs are dispensed and sold.
- After-hours care: Services rendered to patients during nonoffice hours. In addition to basic services, after-hours care includes services rendered 10 p.m.-8 a.m. at a 24-hour facility or services rendered on an emergency basis out of the office that disrupts other scheduled office services.
- Urgent care: Open a minimum of 10 hours per day on weekdays (including 4 to 7 p.m. on weekdays) and a minimum of eight hours per day on weekends. Open on holidays (closed no more than five holidays per year).

You can also go to hmsa.com and click Find a Doctor.

Disclosure Statement

To be an HMSA participating provider, all providers must complete:

- HMSA's initial credentialing process: Providers must submit their information to HMSA.
- HMSA's recredentialing process: Providers are asked to review and update their information every three years.
- Cultural competency training.

Providers are expected to let HMSA know about any changes as soon as possible.

Hospitals: HMSA doesn't use quality measures, member-experience measures, patient safety measures, cost-related measures, or any other criteria to select hospitals for participation in our plans.

Other providers: HMSA doesn't use quality measures, member-experience measures, cost-related measures, or any other criteria to select providers for participation in our plans.

There may be other constraints when hospitals and other providers submit their own data to HMSA. It's important for members to know what's confirmed and what's not.
