Section 1 Introduction

This booklet provides a list of HMSA Medicare Postal Prescription Drug Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and HMSA Medicare Postal Prescription Drug Plan's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered under HMSA Medicare Postal Prescription Drug Plan only if they are filled at a network pharmacy or through our mail-order pharmacy service.

Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network

or there may be newer pharmacies in our network that are not listed. This list is current as of 9/7/2025. For the most current list, please contact us. Our contact information appears on the front and back covers.

You can get prescription drugs shipped to your home through our network mail-order delivery service. For more information, please contact us or see the mail-order section of this directory.

This directory lists pharmacies in Hawaii. However, there are more pharmacies outside of Hawaii where your prescriptions may be covered by our plan. For more information or more pharmacies in our plan network not listed in this directory, call Customer Care at 1 (833) 266-8150 or visit the pharmacy network online search tool at hmsa.com/employer/postal/health-plans-medicare/.

If you have questions about any of the above, including instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the front and back covers of this directory for information on how to contact us.

Section 3 Network Pharmacies

This section of the directory has the following pharmacy categories:

- Mail-order pharmacy
- Additional pharmacies (listed by island, then by category)
 - Home I.V. therapy pharmacy
 - Long-term care pharmacy
 - Maintenance Choice pharmacy
 - Retail pharmacy
 - Specialty pharmacy

This directory lists network pharmacies in Hawaii. HMSA Medicare Postal Prescription Drug Plan has a national pharmacy network. To find a network pharmacy outside of Hawaii, call Customer Care at 1 (833) 266-8150 or visit the pharmacy network online search tool at hmsa.com/employer/postal/health-plans-medicare/.

Home infusion, long-term care, specialty, and mail-order pharmacies service all islands, even though they may not be physically located on each island. All retail pharmacies provide an extended day supply of some medications.

Residents of a long-term care facility may access their prescription drugs covered under HMSA Medicare Postal Prescription Drug Plan through the facility's long-term care pharmacy or another network long-term pharmacy.

CVS Caremark® is an independent company providing pharmacy benefit management services on behalf of HMSA.

TTY: 711

Call 24 hours a day, seven days a week

You can get prescription drugs shipped to your home through our network mail-order delivery service. For new prescriptions and refills of your mail order prescriptions, you have the option to sign up for an automatic refill service called ReadyFill at Mail. Under this service, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. The pharmacy will automatically fill and deliver new prescriptions it receives from health care providers, without checking with you first, if either:

- You used mail-order services with this plan in the past, or
- You sign up for automatic delivery of all new prescriptions received directly from health care providers. You may request automatic delivery of specific drugs at any time by logging in to your Caremark.com account or by calling Customer Care at 1 (833) 266-8150. TTY users, call 711.

We will contact you before shipping each refill to make sure you need more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you receive a prescription automatically by mail that you do not want, and you were not contacted to see if you wanted it before it shipped, you may be eligible for a refund.

If you choose not to use the auto refill service, please contact us 25 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please call 1 (833) 266-8150. This number is available 24 hours a day, seven days a week. TTY users, call 711.

Typically, you should expect to receive your prescription drugs in no more than 10 days from the time that the mail-order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please call 1 (833) 266-8150, 24 hours a day, seven days a week; TTY users, call 711. You can also choose to sign up for our optional automatic delivery program by calling these numbers.
